29 September 2016

SUBJECT: AFX in September 2016 Boy's Life Magazine - Exploring Article

Our U.S. Air Force Explorers Unit was recently featured in the September 2016 issue of Boy's Life magazine - the national flagship publication of the Boy Scouts of America. We were one of three units from around the country that were highlighted in the cover story article "Explore Your Future". This article promotes the national BSA Exploring program, explaining the benefits of hands-on experience and training in a variety of career fields.

Background: Boy's Life had originally contacted us earlier in the year to do a photo shoot in the Spring for an upcoming Exploring article. We were able to schedule this event to coincide with our Operation TIGERSHARK, providing many great photo opportunities for the Boy's Life Photography Director that had flown in from Irving, TX for the shoot.
